

**CHERRY GROVE CONDOMINIUM ASSOCIATION  
BOARD POLICY STATEMENT**

**EDGING POLICY**

Co-owner may install heavy-duty landscape edging only in mulch beds along the walkway leading to the front door. This will help keep dirt and mulch in the bed and off the walkway. The product is available at [your local home improvement store](#) and local hardware and garden centers.

**Landscape Edging Specifications**

- Use only *Royal Diamond Heavy Duty Landscape Edging* manufactured by Valley View.
- Edging is available in two lengths (20' and 60' lengths).
- An *Edgehound Dog* shovel is suggested to help install the edging.
- Edging shall be staked at intervals of 5' and at the ends. Edging stakes sold separately.

Co-owners shall submit a Modification Request form prior to installation of edging. All maintenance, repairs and/or replacements of this modification shall be the responsibility of the Co-owner and all subsequent co-owner(s) of the Unit. [If necessary, the removal and reinstallation of the edging will be the current co-owner's responsibility if access to perform Association routine maintenance or replacements is required.](#)

Board Policy Approved: April 19, 2005  
Policy Mailed to all Co-owners: May 6, 2006  
Policy to Commence: Immediately
